Announcement on 2022 Guidance for New Users
Research Equipment Section, Central Research Laboratory (CRL)

Central Research Laboratory (CRL) has introduced a user registration system. Those who expect to use research equipment in CRL have to attend the 2022 Guidance for New Users for registration. Due to the COVID-19 situation, we will give the online-lecture using Zoom. Please download the material prior to taking the guidance.

Registered users can continue their registration by simply going through the renewal procedure (submitting the renewal application form) from the following year.
